Customer Complaints

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an Initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay, such as tuition, accommodation and leisure. The form also allows students the opportunity to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an End of Course Evaluation form at the end of their stay such that they have the opportunity to provide EC with general feedback before returning to their home country.
