EC offers the opportunity for families to experience a holiday with a difference this summer; learning English whilst sharing an unforgettable vacation! Parents can study at our adult centres whilst children take part in the Day Programme. Alternatively, parents may choose to take a relaxing break whilst their children learn English.

This programme provides a wonderful opportunity for children to learn English whilst enjoying a family holiday in a Mediterranean destination. The child will join other kids attending EC's residential Summer Camp programme on their English classes from Monday to Friday. An additional afternoon activity programme is also available.

How does this work:

Students are picked up by a private, supervised EC bus from EC's Adult Centre in St Julians at 07:00 or 7:30 on the first Monday of their course, depending on dates and schools. Parents should thus ensure their accommodation is within easy reach of the Adult Centre, ideally around St Julians

Learning:

Students attend lessons at Chiswick House School where they are able to mix with an international student body of the same age group in a secure environment that nurtures English language learning.

- All classrooms are fully air-conditioned.
- The centre has a dedicated EC Academic Co-ordinator.

On the last day, students are presented with a Certificate of Attendance.

Lessons follow the **timetable** below:

- First Module (2 lessons) • Break • Second Module (2 lessons)

After lessons, Day Campers who are not attending activities, will enjoy a hot lunch at school before returning to the EC Adult Centre in St Julians at approximately 14:30 by the supervised EC bus.

Parents can request for students to skip lunch and be brought back immediately after lessons.

Day campers attending the optional afternoon activity programme will be returned to the EC Adult Centre after activities. This would usually be around 17:30, except on BBQ afternoons when the drop off will be at about 20:00.

The course includes:

- English course 20 lessons x 45 minutes each per week
- Maximum 15 students per class
- Course materials
- Summer Camp t-shirt & hat
- Supervised school bus
- Hot lunch
- Return airport transfers (if accommodation is booked through EC)
- **Optional activity programme**
