Destination

Malta has something for everyone; a Mediterranean climate, crystal clear sea, a wide variety of history and culture, pretty villages and colourful feasts. Malta also offers delightful cafes and restaurants, a lively nightlife and a wide range of shops. Here English is an official language following 150 years as a British colony.

Malta's mild climate makes it the perfect destination to visit all year round. The course dates are set in the Spring months, where one can experience the green lushness of the Island, as well as the warm temperatures of the air and sea. The warm-hearted hospitality of the Maltese people will both embrace and welcome you making Malta feel like a home away from home!

EC Malta is a modern English Language centre located in the heart of St Julians, offering a variety of programmes to all ages and nationalities. EC Malta specialises in a two-week closed programme for the mature student combining learning with the opportunity to, not only explore Malta's rich cultural heritage through a dedicated activity programme, but also to meet new people from a similar age group with similar language needs. Our small, intimate classes allow participants to make friends in a comfortable and friendly environment as well as learn about the new cultures and diversities of their classmates. You will meet lots of interesting people on this course so it is ideal whether you are travelling on your own, with a friend or spouse.

Lessons

You will have 20 lessons per week in a small group with a maximum of 6 students. The course is highly practical and focuses on using the English language confidently in everyday situations which you encounter whilst travelling, such as asking for directions and information, making reservations and socialising. Our teachers create a relaxed atmosphere in which you will enjoy learning English.
