

EC Volunteer Programme

EC Malta

www.ecenglish.com

'Language House' Marguerite Mangion Street,
St. Julians, STJ 02 Malta.

Volunteer Duration: minimum 4 weeks

Minimum Level of English: Intermediate

Minimum Age: 18

To apply for this **free service** all you have to do is register when you arrive at EC!

The Volunteer programme gives students at EC Malta the opportunity to combine their English course with a personally rewarding lifetime experience. Join EC Malta's Volunteer Programmes and Make a Difference!

Before starting the Volunteer Programme students must have reached an Intermediate level of English. The Volunteer placements are available to students who are 18 years plus, and must be ready to commit to a minimum of three hours per week for a term of 4 weeks or more.

Would you like to learn more than English during your stay in Malta? By volunteering you will have some of the most personally rewarding and worthwhile experiences of your life. You will be able to practice your English at the same time. Your help will provide support to disadvantaged communities allowing you to learn as much about yourself as the areas you are helping.

Choose to volunteer and seize the opportunity to be exposed to "real" English - the English that native speakers use in their day-to-day lives. Build on the foundation you are learning at EC Malta, and gain a sense of confidence in your new English language skills.

The volunteer placements currently available are: working in administration and customer service at hospital, working with the disabled (adults/children), working with animal welfare (dogs or horses).

Requests in any other area may also be considered subject to availability.

If you are interested in volunteering, please ask for an application form at the reception desk.
