

Summer Family Courses

Do you want to come on holiday with your family and learn English at the same time? Language in Totnes has the perfect programme for you and your children.

Location

Totnes is a small town so everything is within walking distance- your accommodation, your courses and your social programme so you and your family can walk everywhere- no need for buses or cars!

Accommodation

You can stay in one of our **luxury cottages** (sleeping 3, 4 or 5 people). The cottages are all in Totnes and have been inspected by a member of our staff – they are also recommended by the Totnes Tourist information.

Alternatively, you can stay in one of our **host family homes** (sleeping 4, 5 or 6 people). The homes are inspected by a member of our staff and are recommended for those families who want a more relaxed stay in someone's home- you can experience the English way of life and have space for the whole family- grandparents and all!

Please see our information sheet for details of how to rent a cottage or host family home through us.

If you are travelling on your own with your children you may prefer to stay in one of our **homestays**. We can usually arrange for a mother or father to share with their children (up to 3 children) in one of our out of town host families. This gives you adult company in the evenings, you don't have to cook and the family will bring you and your children in and out of school every day. This option is also sometimes possible with families in Totnes.

Courses for your children

We have courses for your children from 6- 17 years- so everyone can come and benefit from a language learning holiday in Totnes!

All the lessons take place at Kennicott Sixth Form College, which is a 10 minute walk from the adult school in the Gate House in the centre of Totnes.

If your child is **12-17 years old** and wants to learn English in multinational classes for half the day and have fun with other students in workshops, activities and trips for the rest of the day, then they can do our **Junior General English course**.

Or if they are serious learners and want more English lessons, then they can join our **Junior Intensive English course** which offers 3 extra clock hours tuition per week in place of 2 half-days of activities.

For both courses, the programme starts at 08.45 and finishes at 17.00, Monday to Friday. There are two evening activities on Monday and Friday evenings (transport to and from these two activities provided by the school) and a full day excursion on a Saturday.

If your child is **6-11 years old** and wants to start learning English in a relaxed, fun way then they can do our **Play with English course** which offers a mixture of classroom activities in mixed nationality groups with a primary trained English teacher and fun afternoon activities like workshops and short excursions to practice their English.

For this course, the programme starts at 08.45 and finishes at 17.00, Monday to Friday.

**on some occasions, the adult programme may finish at 17.30. In these instances our staff will bring your children over to the Gate House and look after them until you finish your lessons.*

Courses for you, the adults

Why not take the chance to do one of our innovative **Totnes Cultural Experience courses** starting every Monday in August? These take place outside the classroom with a teacher and focus on giving you plenty of opportunities for speaking and listening practice in English. The lessons take place on Monday afternoons (14.15 – 17.15) and on Tuesday- Friday mornings from 10.00 - 13.00. You will be taken care of by a qualified teacher who will improve your language skills through interactive lessons covering topics such as natural health, arts and crafts, British history and the natural beauty of English gardens. You are free to explore whilst assured that your children are in a safe and secure environment developing skills necessary to their future success.

**on the first day, the adult programme may finish at 17.30. In this instance our staff will bring your children over to the Gate House and look after them until you finish your lessons*

Language in Totnes also offers class-based courses for those wanting to improve all aspects of their language skills. **General and Intensive English courses, Mini Groups** and **One to One** classes are also available to our parents in the summer.

Please contact Language in Totnes for further information on info@languageintotnes.co.uk.
