

Adult Residence (September to June only)

Our student residence is located around 4km from the main school and 2km from the main town, St Helier. There are 10 en-suite bedrooms, for use by our adult students (mixed nationalities) and other paying guests. The student hotel is a great low-cost alternative to guest house or hotel accommodation. It is ideal for students who prefer a greater degree of independence than a homestay offers, while also providing the guarantee of centrally located, high standard living accommodation.

Each room has an en-suite bathroom, storage space and television. There is also a large dining room, lounge and kitchen with fridge, kettle and microwave for use by students. Students can choose from bed and breakfast or full board with dinner at the hotel and a packed lunch to eat at school. Residence fees include a daily school bus to and from school (Bus stop located around 50m from the guest house.)

<i>Price per person per week:</i>	Bed & Breakfast	Full Board
Single Room	£150	£200
Shared Room	£110	£150
Accommodation Fee	£35
