

Summer Residence for Teenagers

As an alternative to homestay, we also offer accommodation in one of our residences – guest houses used exclusively for our own students and staff.

Each residence has capacity for around 20 students (ages 14 to 17), of mixed genders & nationalities. Our residences are conveniently located within walking distance of the main town St Helier, where most of our evening activities take place. Students can use our school bus service to join the other students on holiday and intensive programmes.

Students are provided with a continental breakfast, packed lunch and a two course evening meal at the residence. Our teenage residences are managed by our experienced manager and caretakers who provide on-site supervision for the students at all times.

Richelieu Lodge - NEW!

Our new residence is conveniently located a short walk from the town centre and summer campus. It has 10 ensuite bedrooms, each with TV and storage space. In addition to a dining room & lounge, the residence has a garden and games room where students can relax and socialise.

Jaylana Residence

The Jaylana is a family run guest house located near the beach, and around 2km from St Helier. All rooms have been recently refurbished and have ensuite bathroom, television and storage space. There is a comfortable lounge area and dining room where students can eat, relax and play games.
