“AN INVESTMENT IN KNOWLEDGE PAYS THE BEST INTEREST.”

(B. Franklin)

Encouraged by a strong network of personal and professional contacts, I set up Influent in partnership with my highly rated colleague, Latifa Khairi-Biri to respond more effectively to the changing needs of students and hosts around the world.

The pandemic has hit our industry hard and changed dynamics and realities for good. Education, learning and sharing knowledge has taken a leading role in our lives, supported by heightened networking and collaboration capabilities. Influent builds on this trend, whilst at the same time invests in creating 'learning experiences' that are personal, distinctive and effective. Together with our network of quality contacts, we feel privileged to contribute to the education of the next generation.

Stephanie Josephs

20 years of experience in the language education industry, managing one of the former established language businesses in Monaco.

Having worked with Stephanie for the past years I am very excited about being on this new adventure. We have always worked very closely exchanging ideas and concepts, setting up Influent together has further developed this collaboration.

I myself am passionate about languages, travel and discovery. Unfortunately, the pandemic has made it difficult to do all this, but I believe that it has allowed us to rethink the way we live and is pushing us to innovate. I am now more than positive about the coming months and years!

IMMERSE YOURSELF IN LANGUAGES, COVERING 30 COUNTRIES, 20 LANGUAGES, ALL AGES AND ALL LEVELS.

HOW?

- You live and study the language in your own private teacher's home, on full board accommodation
- You enjoy one-to-one lessons and practice the language you are learning through sharing the daily family life.

WHY?

- You learn the language by 'living' it, not only is it the most natural way of learning, it has also proven to be the most effective way of learning
- The course is entirely tailored to you and your needs; lessons are completely personalised with the teacher focusing on you and your objectives
- You choose your dates, (from a Sunday to a Sunday) the desired duration and destination, the number of hours tuition you would like, as well as the type of programmes and options
- Whether a beginner or advanced, the lessons are completely adapted to your level and your requirements.

FOR WHO?

Children, teenagers & young adults

We have various programmes adapted to children, teenagers and young adults. Programmes include social activities, cultural visits or sports. These are very popular, as they enable to learn while having fun, living with the personal tutor's family. We also offer special programmes to help improve school or university levels and prepare for exams.

Adults & professionals

Learning for professional purposes with a host teacher is the perfect way for you to excel in a subject of choice. We have hosts with different areas of expertise i.e. business, marketing, tourism, science etc. They are able to offer courses using specific vocabulary and jargon in the subject of choice.

We also have programmes to learn a language whilst enjoying activities, providing a unique insight into another culture, learning not only through theory but also through practice.

INFLUENT IS:

- A team of home tuition experts with over 20 years experience
- More than 2000 qualified and experienced hosts (teaching qualification and/or a university degree or equivalent)

Having fun while you learn is the best way to remember what you learn !

Activity Choices (minimum 15h)

5h Cooking

Cook typical dishes with your host, discover the culinary culture, then enjoy the dishes you have just cooked with your host family. Return home and prepare what you have learnt to cook for your own family, bringing back a feel and a taste of the country and host family visited.

5h Shopping

Visit local markets, fairs, shopping centres, famous shopping streets or typical shops, with your host. Different cultures feature different shopping habits. The consumer behaviour of a country gives you a good insight into its culture and people.

5h Walking Tours

Take a town walk to see iconic landmarks and hear the story behind with those that live there and know. Hike through the beautiful countryside and explore coastal paths. Practice your conversational skills while visiting the area, experiencing your host's life and environment in a unique way.

5h Filmography

Films are the perfect way to improve your comprehension skills and understanding of different accents. They are also a good reflection of the culture and characteristics of a country. Your host will help you through challenging passages and discuss the story, the characters and their motivations with you.

5h Constructive Conversation & Debates

Have animated discussions about politics, history or sports, talk about authors or artists and their work. Watch the news & talk about it with your host, compare it with current affairs in your own country and feed the debate. Learn to effectively participate in 'themed' discussions in a language of choice.

5h Board Games

Learning through games (scrabble, chess, vocabulary, card games, monopoly, etc.) is a great method to learn a new language not only because it is relevant to all age groups, it is also a magnetic and entertaining way to get people together and start conversation. A great opportunity to socialize with family and friends.

INFLUENT CONDITIONS & GENERAL INFORMATION

By enrolling you confirm you accept and you are aware of the following:

What happens when I enroll ?

On receipt of your enrolment, we will select the host family which is the most suitable for your profile. You are free to refuse the proposal if you feel the family does not correspond to your requirements and we will propose another host family. We would like you to consider that the host family is more important than the area so ask you if and when possible to give us several choices of areas in the chosen destination.

What does Influent guarantee ?

We guarantee you will be the only language student in the home. One teacher - one student (unless you have chosen a shared programme). The host family can have guests or friends at the same time as you providing these are not of the same nationality or mother tongue as you and do not interfere with the lessons and your stay.

What does Influent not guarantee ?

- To the best of our knowledge the host family details are correct at the time we gave them and cannot be responsible for subsequent changes to these
- We cannot guarantee that all the host family members will be present during the stay as our contract is with the teacher not with any other family member.

How do I pay ?

- Bank transfer**
Payment should be made by bank transfer to the account provided on the invoice 2 weeks before arrival.
- Credit card**
Complete the enrolment form and send to be@influentme.com and we will send you a credit card form to fill in, or ask us for a link to pay directly on our secure platform

Is Insurance included ?

No it is not included, you must take out their own insurance against illnesses, accidents, loss of property of cancellations

Is travel Included ?

No, travel is not included, you must make your own travel arrangements. We can however organise transfers to and from the airport, port or train station. Either a member of your family either a driver will take care of these. This is an optional extra and we need to receive travel details well in advance in order to organise them. If no transfers are booked you need to contact your host family to let them know when you will arrive. If they do not hear from you they will not expect you before 19h.

What happens if I have to cancel ?

- If your cancellation is non covid related:
 - Less than 2 weeks to 48h before arrival: 50% of the total fees
 - 48h or less before arrival: 100% of the total fees
- If your cancellation is covid related:
 - If the course cannot take place following covid related issues (border closures, illnesses etc...) a credit note or full refund will be offered.

What happens if the host family cancels ?

In case of unforeseen circumstances should the family cancel before arrival a replacement host family will be provided

What are Influent's covid safety guidelines ?

- Postpone your stay if you have any symptoms, any doubts concerning your health or if you feel you may have been in contact with someone infected
- Travel safely: wear a mask from entering the airport to flying and leaving the airport at destination, wash or sanitize your hands frequently, avoid touching surfaces and practise social distancing
- Please wash or sanitize your hands frequently, particularly when coming into the house, this is particularly important after taking public transport or being in a public space. Your teacher will ensure there is soap and hand sanitizers at home.
- Avoid touching your eyes, nose and mouth with unwashed hands
- Help keep the home safe. Your teacher will clean and disinfect the home regularly and will pay special attention to surfaces that are often touched, the home will also be frequently ventilated.
- Make sure you are aware of the covid related regulations of the country you are travelling to, wear a mask where appropriate and practise social distancing
- Stay indoors and self isolate in your bedroom and contact your health provider to discuss what you should do if you have any symptoms during your stay

What happens if I have an issue during my stay?

Destination advisors in your host's country are always available to help with any issues you may have big or small, these can usually be solved very quickly as they are usually to do with language misunderstandings or cultural differences. Problems which cannot be fixed are rare but if you feel that you and your host are not suited or you are not happy in your homestay please let your destination advisor know or contact us and we will organise for a change of host family. Claims after the stay will only be considered if issues have been notified during the stay, in the case of minors this is the parent's or guardian's responsibility
