# INFLUENT TERMS AND CONDITIONS

By enrolling you confirm you accept and you are aware of the following:

## What happens when I enrol?

On receipt of your enrolment, we will select the host family which is the most suitable for your profile. You are free to refuse the proposal if you feel the family does not correspond to your requirements and we will propose another host family. We would like you to consider that the host family is more important than the area so ask you if and when possible to give us several choices of areas in the chosen destination.

## What does Influent guarantee ?

We guarantee you will be the only language student in the home. One teacher – one student (unless you have chosen a shared programme). The host family can have guests or friends at the same time as you providing these are not of the same nationality or mother tongue as you and does not interfere with the lessons and your stay.

## What does Influent not guarantee ?

- To the best of our knowledge the host family details are correct when we give them and we cannot be responsible for subsequent changes to these.
- We cannot guarantee that all the host family members will be present during the stay as our contract is with the teacher, not with any other family member.

## **What happens if I have an issue during my stay?**

Regional Managers in your host's country are always available to help with any issues you may have, big or small, these can usually be solved very quickly as they are usually to do with language misunderstandings or cultural differences. Problems which cannot be fixed are rare but if you feel that you and your host are not suited or you are not happy in your homestay please let your regional manager know or contact us and we will organise for a change of host family. Claims after the stay will only be considered if issues have been notified during the stay, in the case of minors this is the parent's or guardian's responsibility.
