INTRODUCTION

Inspired by a strong network of personal and professional contacts, Influent was set up to respond more promptly and effectively to the changing needs of language students and hosts around the world.

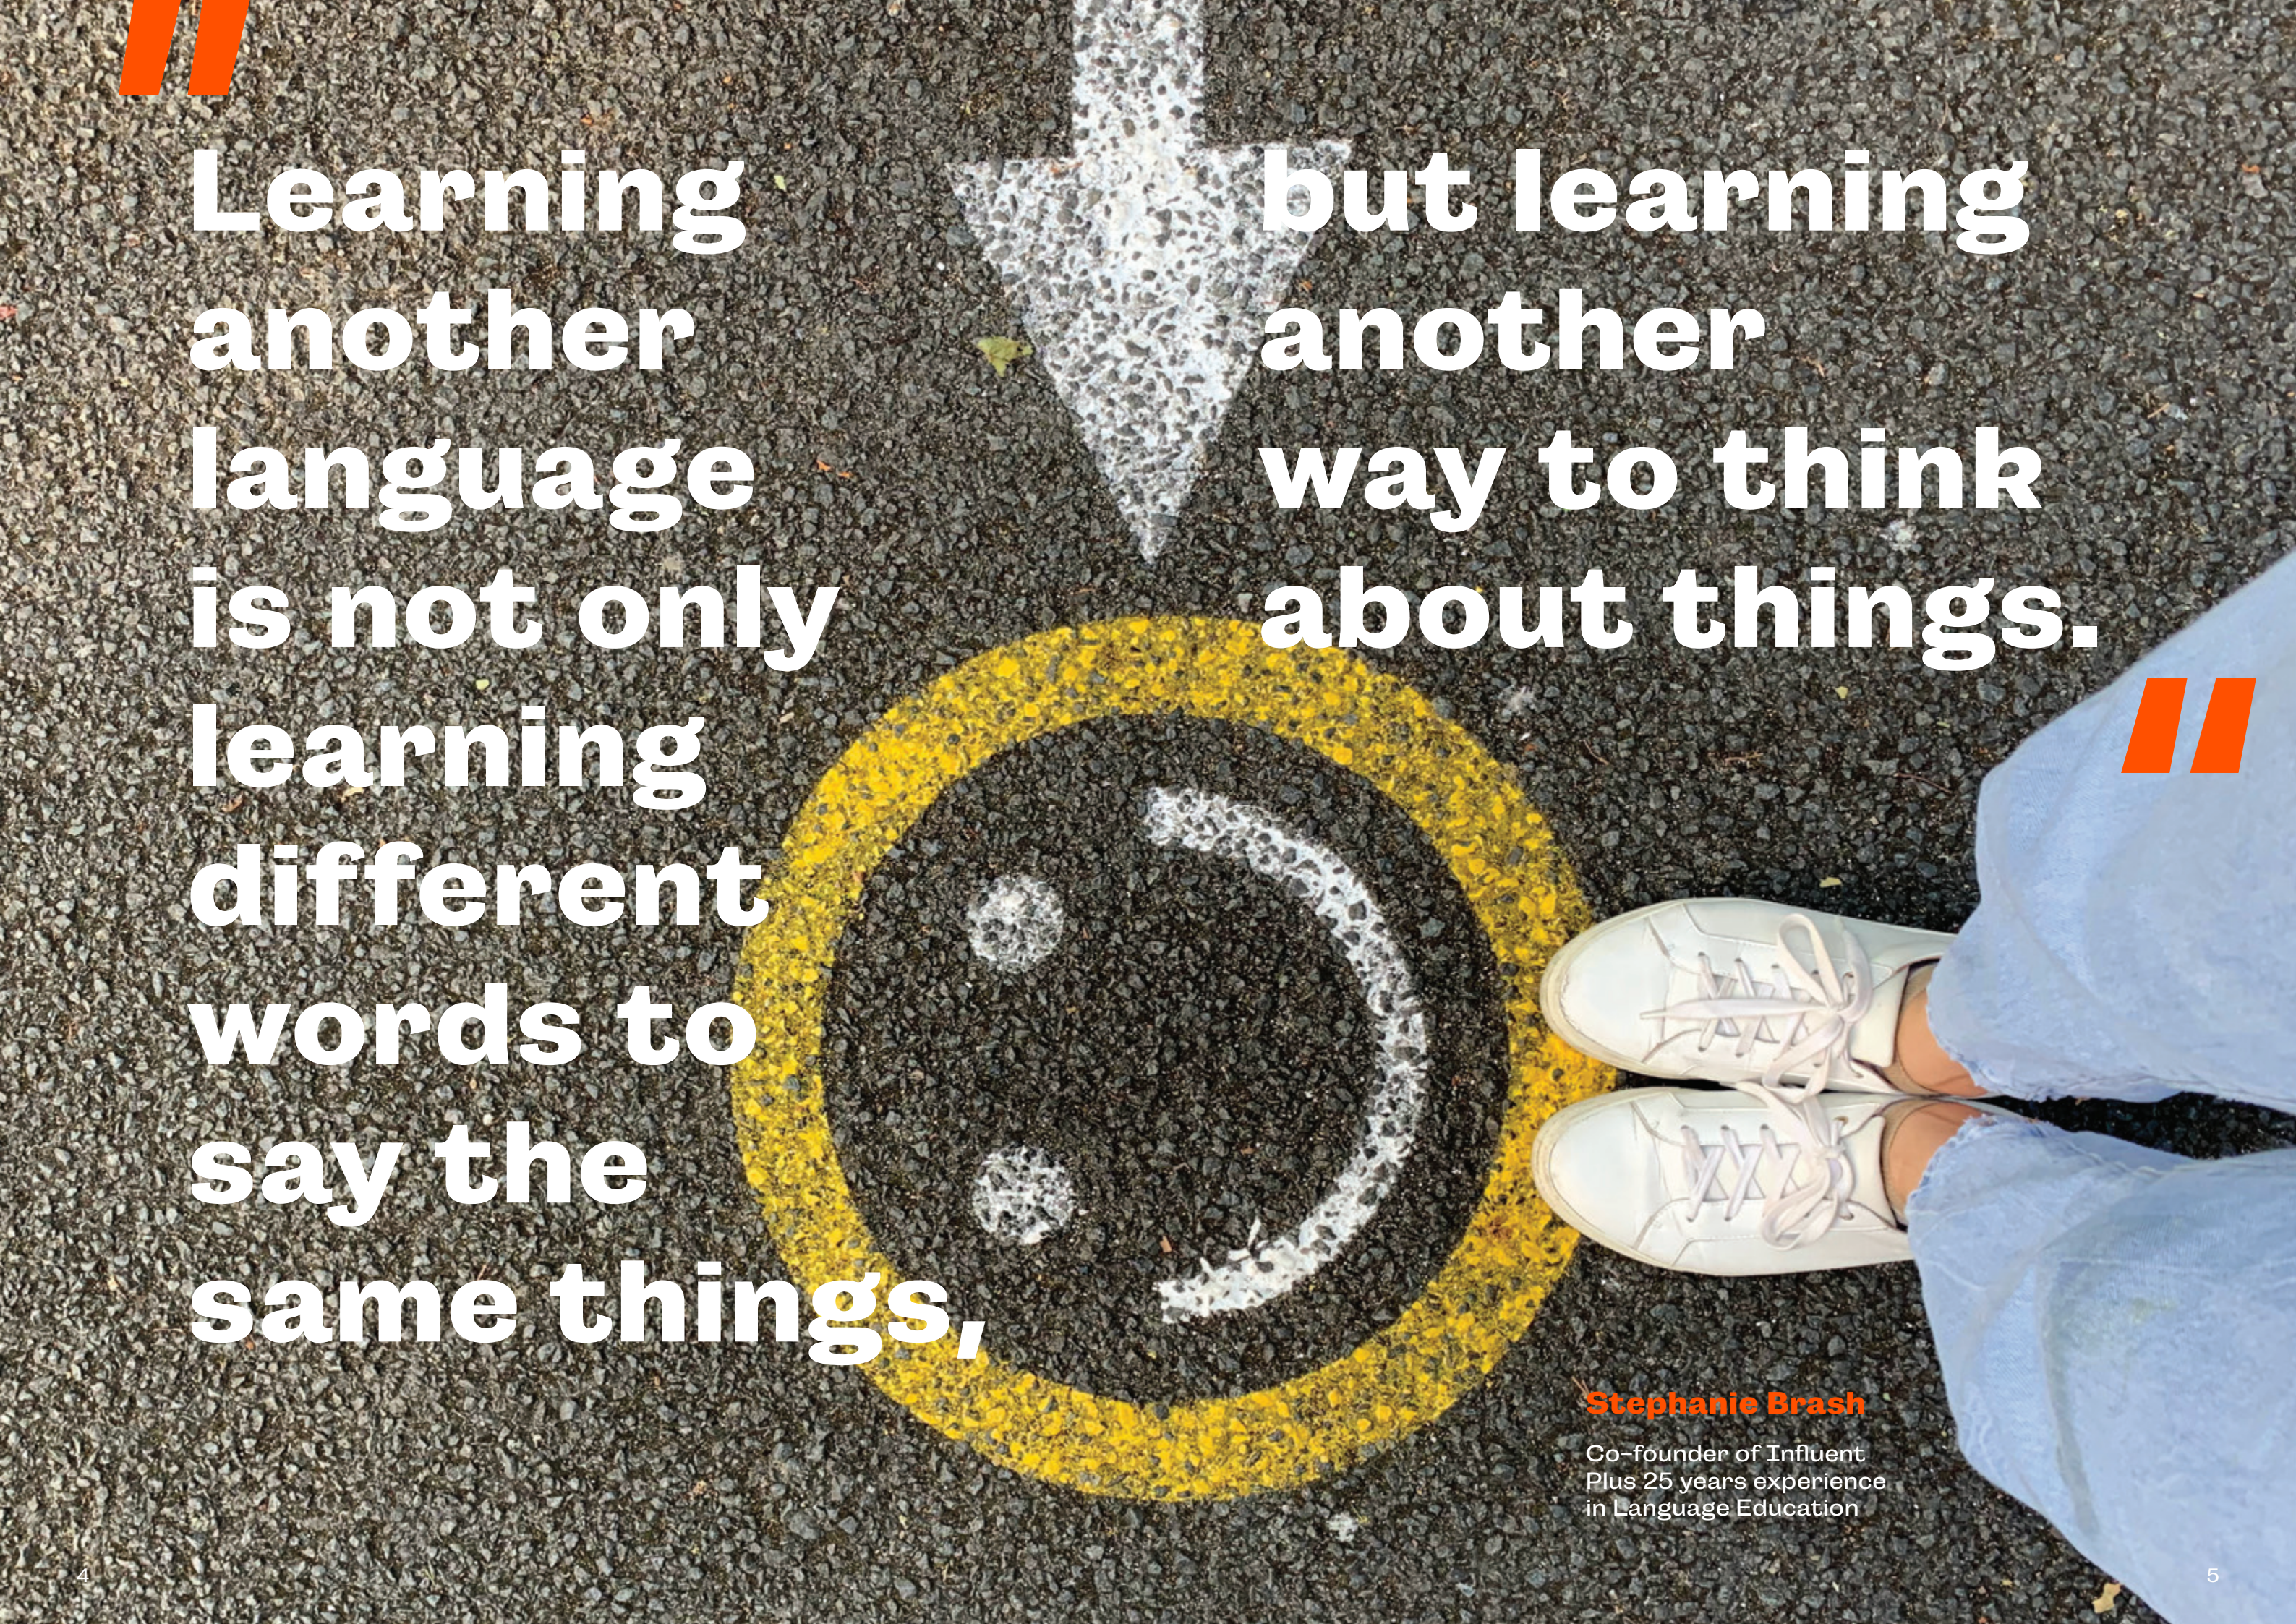

The covid pandemic hit our industry hard and changed its dynamics and realities for good. Education, learning and sharing knowledge have taken a leading role in our lives, supported by improved networking and collaboration capabilities. Influent builds on this trend, designing language immersions and experiences that are highly personal, distinctive and effective.

THANK YOU!

We would like to thank all the members of our Influent Team who have helped to make it possible:

Our Regional Managers, our Host Families and last but not least; our Agent friends & colleagues.

HOW?

- You live in your own private teacher's home, on full board accommodation
- You are the only student and enjoy one-to-one language lessons
- You practice the language you are learning through sharing daily family life

WHY?

- You learn the language by 'living' it, not only is it the most natural way of learning, it has also been proven to be the most effective way of learning
- The course is entirely tailored to you and your needs; lessons are completely personalised with the teacher focusing on you and your objectives
- You choose your dates, (from a Sunday to a Sunday) the desired duration and destination, the number of hours tuition you would like, as well as the type of programmes and options
- Whether a beginner or advanced, the lessons are completely adapted to your level and your requirements

FOR WHO?

Children, teenagers & young adults

Our families are experienced at hosting young students and carefully selected to match their profile and interests. Living with a host teacher provides them with a safe and friendly environment. Students can customise their language immersion by combining their language lessons with general activities, cultural visits, sports or excursions. These are very popular as they enable them to learn while enjoying themselves which is the most effective way to progress. Our teachers can also help them improve for school and university or prepare for an exam through our specialised options.

Adults & professionals

Learning for professional purposes with a host teacher is the perfect way for you to excel in a subject of choice. We have hosts with different areas of expertise such as business, marketing, tourism, science etc. They are able to offer courses using specific vocabulary and jargon in the subject of choice. You can combine your programme with general activities, cultural visits, sports or excursions to provide a unique insight into another culture, learning not only through theory but also through practice.

INFLUENT IS:

HOME TUITION PROGRAMME

It is the most effective way to make rapid progress: you live with your teacher who will give you private language lessons and correct you at all times spent with them. It completely immerses you in the language you are learning as you put into practice what you have learnt during your lessons through social interactions and meal times with your host.

The Home Tuition Programme includes:

- 10h*, 15h, 20h, 25h or 30h private language lessons per week
- Accommodation in your teacher's home
- Meal times and social interaction with your host

Choose the number of language lessons you require and personalise your programme according to your needs, interests and preferences with a multitude of options and specialisations to choose from. Some things cannot be learnt by studying in the traditional way, fluency is achieved through living the language, using the target language constantly and in your everyday life. Culture, entertainment, leisure and current events are embedded in people's language and these are as much part of the language learning process as the lessons.

*10 hours tuition is available when combined with general activities, cultural visits or sports. It cannot be booked on its own.

**Take the next step from student
to fluent speaker by choosing
your options.**

1. Add leisure options to your Home Tuition Programme:

All costs are included: transport, entrance fees (if applicable) and activity expenses for the student and the accompanying person.

+ CULTURAL VISITS

Cultural visits may vary depending on family location and availability.

All costs are included: transport and entrance fees (if applicable) for the student and the accompanying person.

+ SPORTS

Enjoy 3 sport sessions weekly (unless specified otherwise) transport and equipment rental (where applicable). They are usually held with a professional instructor but can sometimes take place with a family member.

All costs are included: the sport sessions, the transport and rental of equipment (where applicable).

+ EXCURSIONS

Info & Tips

INFLUENT INFORMATION FOR BOOKING

Personal Information

It is important you give us as much information (Allergies, smoker/non smoker, language level, interests etc...) as possible about yourself in order for us to select the most suitable host family for you.

Dates

Our courses are year round and our programmes are weekly (from a Sunday to a Sunday).

Destination

We consider the choice of host family is more important than the region so please give us several choices of area when possible in the chosen destination.

Activities & Visits

Activities and/or cultural visit options are strongly recommended for all students, in particular minors, as they enable you to continue practising your language skills outside of lessons as well as learning more about the country and region you are in.

Transfers

Please provide us with full travel details and a mobile number well in advance of your stay if you wish to book transfers. Transfers are compulsory for students aged 15 and under unless taken care of by their parents.

TIPS FOR A SUCCESSFUL LANGUAGE IMMERSION TO BE (IN)FLUENT

Contact your family before arrival

We advise you to contact your host family to introduce yourself and tell them about your interests, food preferences, and expectations, this will help them prepare for your stay. If you have not booked any transfers please advise them of an approximate arrival time so they can make sure to be at home to welcome you.

Cultural Differences

Hosts may not have the same way of life, please be ready to accept the cultural differences as these are also part of your language immersion experience. Learning a language is also learning about the country where it is spoken and its people

School Holidays

Please note school holidays may not be on the same dates as in your home country so children may be at school during your stay.

Pocket Money

We recommend you bring £100, 120 euros, US\$140 spending money and double these amounts if you have not booked any leisure options.

Influent Terms & Conditions

Please read through our T&Cs carefully and do not hesitate to contact us if anything is unclear, we are always happy to answer any queries you may have.

You have to taste a culture to understand it.

INFLUENT TERMS AND CONDITIONS

By enrolling you confirm you accept and you are aware of the following:

What happens when I enrol?

On receipt of your enrolment, we will select the host family which is the most suitable for your profile. You are free to refuse the proposal if you feel the family does not correspond to your requirements and we will propose another host family. We consider the choice of family more important than the destination. We therefore ask you to please choose 3 regions in your chosen destination.

What does Influent guarantee ?

We guarantee you will be the only language student in the home. One teacher – one student (unless you have chosen a shared programme). The host family can have guests or friends at the same time as you providing these are not of the same nationality or mother tongue as you and do not interfere with the lessons and your stay.

What does Influent not guarantee ?

- To the best of our knowledge the host family details are correct at the time we gave them and cannot be responsible for subsequent changes to these.
- We cannot guarantee that all the host family members will be present during the stay as our contract is with the teacher not with any other family member.

How do I pay ?

- Bank transfer: payment should be made to the account provided on the invoice 2 weeks before arrival.
- Credit card: complete the enrolment form and send to be@influentme.com and we will send you a credit card form to fill in.

Is Insurance included?

No it is not included, you must take out your own insurance against illnesses, accidents, loss of property or cancellations.

Is travel included ?

No, travel is not included, you must make your own travel arrangements. We can however organise transfers to and from the airport, port or train station. Either a member of your host family or a driver will take care of these. Transfers are an optional extra and we need to receive travel details well in advance in order to organise them. If no transfers are booked you need to contact your host family to let them know when you will arrive.

What happens if I have to cancel ?

- **If your cancellation is non covid related:**
 - Less than 2 weeks to 48th before arrival: 50% of the total fees
 - 48h or less before arrival: 100% of the total fees
- **If your cancellation is covid related:**
 - If the course cannot take place following covid related issues (border closures, illnesses etc...) a credit note or full refund will be offered.

What happens if the host family cancels ?

In case of unforeseen circumstances should the family cancel before arrival a replacement host family will be provided.

What are Influent's covid safety guidelines?

- Postpone your stay if you have any symptoms, any doubts concerning your health or if you feel you may have been in contact with someone infected.
- wTravel safely: wear a mask from entering the airport to flying and leaving the airport at your destination, wash or sanitise your hands frequently, avoid touching surfaces and practice social distancing. Please wash or sanitise your hands frequently, particularly when coming into the house, this is particularly important after taking public transport or being in a public space. Your teacher will ensure there are soap and hand sanitisers at home.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Help keep the home safe. Your teacher will clean and disinfect the home regularly and will pay special attention to surfaces that are often touched, the home will also be frequently ventilated.
- Make sure you are aware of the covid related regulations of the country you are travelling to, wear a mask where appropriate and practice social distancing.
- Stay indoors and self isolate in your bedroom and contact your health provider to discuss what you should do if you have any symptoms during your stay.

What happens if I have an issue during my stay?

Regional Managers in your host's country are always available to help with any issues you may have, big or small, these can usually be solved very quickly as they are usually to do with language misunderstandings or cultural differences. Problems which cannot be fixed are rare but if you feel that you and your host are not suited or you are not happy in your homestay please let your regional manager know or contact us and we will organise for a change of host family. Claims after the stay will only be considered if issues have been notified during the stay, in the case of minors this is the parent's or guardian's responsibility.
